## JOB DESCRIPTION

**Job Title:** Wildlife Fence Construction

**Work Schedule:** Hours may vary

**Pay:** \$20/hr

**Location:** Glennallen, Alaska

**Reports to:** Wildlife Biologist

**Dates:** June through August (Until project is completed)

**About AITRC:** The Ahtna Intertribal Resource Commission (AITRC) is an organization that represents the interests and aspirations of the Ahtna Indigenous Peoples in Alaska. AITRC is dedicated to preserving our natural resources, wildlife, and cultural heritage through sustainable practices and conservation efforts. We are committed to projects that enhance the ecological balance and support the traditional ways of life of the Ahtna communities.

**Project Overview:** AITRC is embarking on an important habitat improvement project to construct a wildlife fence in the Glennallen area. This initiative aims to propagate willows for browse enhancements within the Ahtna Territory. The project will involve the planning, designing, and constructing of a wildlife barrier while ensuring the safety and mobility of wildlife species.

### Minimum Qualifications

- Driver's license and clean driving record
- Background check
- Minimum age: 18
- Chainsaw experience
- Ability to carry at least 50 pounds on rugged terrain

### Essential Job Duties and Responsibilities:

- Proven experience in fence construction or a related field
- Ability to work collaboratively and independently
- Carefully drive project-provided vehicles with trailers to and from field sites
- Ability to problem-solve in the field
- Excellent attention to detail and ability/willingness to follow specific directions
- Maintain regular communication with coworkers and supervisor
- Willingness to work flexible hours, including early mornings, evenings, and weekends
- Installation of fencing materials and structures, ensuring compliance with practice standards
- Follow safety protocols on-site to protect workers, community members, and wildlife
- Conduct regular inspections and maintenance to ensure the long-term effectiveness of equipment and fence
- Excellent communication and interpersonal skills
- Physical fitness and ability to work in outdoor environments under varying weather conditions

**How to Apply:** Interested candidates should submit a resume, cover letter, and two references to [connect@ahtnatribal.org](mailto:connect@ahtnatribal.org). Please include "Wildlife Fence Construction" in the subject line of your application.

Applications will be reviewed on a rolling basis until positions are filled.

**Tribal Member Preference**

Pursuant to PL 93-638, as amended, preference will be given to qualified Ahtna Native Corporation Shareholders, Descendants, and Spouses in all phases of employment.

**This job description in no way states or implies that these are the only duties to be performed by the employee incumbent in this position.** The employee will be required to follow any other job-related instructions and to perform any other job-related duties requested by any person authorized to give instructions or assignments.
